Delivered by Eildon Housing Association

October 2017

# ADAPTATION ASSESSMENT SERVICE

If you would like information and advice regarding this service, you can contact Borders Care & Repair direct. An occupational therapist within Care & Repair can assess both your need for adaptation and if you are eligible for this service. You no longer require to be referred to an occupational therapist in social work service. If your needs are wider than adaptation provision the Care & Repair occupational therapist will signpost you to the relevant services.

The service is open to all residents living in the Scottish Borders.

## WHAT WE CAN DO FOR YOU

### **Are you able to safely access your bath?**

If not we can help by fitting grab rails through to complete level access shower adaptations.

### **Do you feel safe on the stairs?**

You may qualify for additional banister rails up to stair-lift installation

### **Do you use a wheelchair and struggle to access your home?**

You may qualify for temporary or permanent ramping

**You may qualify for funding towards an adaptation you need.**

# IF YOU THINK YOU QUALIFY, GET IN TOUCH

Get in touch and we'll ask some questions to see if there is anything we can help you with.

**Address:**     **Borders Care & Repair  
The Weaving Shed  
Ettrick Mill, Dunsdale Road  
Selkirk TD7 5EB**

**Website:**      **[www.borderscareandrepair.org.uk](http://www.borderscareandrepair.org.uk)**

# THE ADAPTATION PROCESS

If the outcome of the assessment indicates that a major adaptation is required to meet your needs, Care & Repair will oversee the process from drawing up of plans to arranging for the work to be completed.

**Borders Care & Repair**  
is a service provided by:  
Eildon Housing in partnership  
with Scottish Borders Council
